WORK EXPERIENCE

INFOSYS | INSTEP INTERN (MACHINE LEARNING/NLP)

Summer 2018 | Bangalore, India

- Built and evaluated vector based and tensor based algorithms for information retrieval.
- Set up and maintained TensorFlow-Serving and Solr Servers.
- Wrote a REACT-API with Flask.
- Interfaced with the API using a demo built in React.js

ARTERIC | JUNIOR SOFTWARE DEVELOPER/NLP INTERN

Summer 2017 | Summit, NJ

- Developed software that utilized machine learning and natural language processing to analyze, categorize, and group pay-per-click / AdWords query data with the goal of identifying topically similar queries.
- Used PHP / the Laravel framework and MySQL to store and show query data, which was generated with AdWords data input into Python / Scikit-Learn.
- Performed miscellaneous tasks such as data analysis, quality control testing, and clerical work at the request of Arteric personnel.
- A write up of the tool I helped create can be found here: goo.gl/bQVQR8

UNIVERSITY OF PENNSYLVANIA | TEACHING ASSISTANT - CIS 110

Jan 2017 – Present | Philadelphia, PA

- Teach introductory Computer Science in recitation once a week.
- Hold office hours twice a week.
- Grade and contribute to homework.
- Work side by side with fellow TAs to ensure success for all students.

UNIVERSITY OF PENNSYLVANIA | QUAD INFO CENTER WORKER

Nov 2016 - Present | Philadelphia, PA

- Work with specialized computer software at the front desk of the Quad, a residential area belonging to the University of Pennsylvania.

ACTIVITIES

UNIVERSITY OF PENNSYLVANIA | RESIDENTIAL ADVISOR

Working as a Residential Advisor, developing a sense of community for 25 culturally diverse freshmen who are new to the University of Pennsylvania.

TECH IT OUT! PHILLY | BOARD MEMBER, MENTOR | 2017-CURRENT

I mentor under Google's IgniteCS Program, helping Philadelphia youth build websites that advocate for social change. I am also on the board of directors.

WQHS STUDENT RADIO | SYSTEMS ADMIN, RADIO DJ |

2017-CURRENT

An elected board position where I focus on maintaining and updating the technical side of WQHS Radio, making sure the servers run and constantly adding additional functionality to the WordPress site: wqhsradio.org.

PENNAPPS | STAFF MEMBER | 2017-CURRENT

I create media for one of the largest student run hackathons.

THE DAILY PENNSYLVANIAN | CONTENT CREATOR | 2018-CURRENT

I create satirical videos for Under The Button, under the Daily Pennsylvanian

MISC. HOBBIES

I play bassoon, saxophone, and piano.

I like home automation, currently running HomeAssistant on a Raspberry Pi in my house to control the locks and lights.

I enjoy reading and good comedy as well.
